

Lavelle Media Center

Faculty Services

- Teachers may reserve the library for class use by contacting the Head Librarian. Please let the librarian know how to assist you and/or your class by filling out a Reserve the Library Form.
- If you have anything that you would like students to read (book, article, etc.) you could place it on the reserve shelf behind the circulation desk for a period of 3 hours, 2 days or 7 days. Please fill the Library Reserves Form out and return to the librarian or place in her mail box in rm. 203.
- To reserve the library for your class please e-mail the librarian with the date and time you wish to use the library at dmadrid@cristorey.net. No same day reservations can be made. If the library is not reserved, it may be used on a first come, first served basis.

Training Opportunities –

IMSA - Illinois Mathematics and Science Academy - Internet Skills and Resources for the Classroom from IMSA & the Illinois School Library Media Association (ISLMA). Various dates and locations for workshops and classes that range from two hours to twelve weeks. Check seasonally for their latest workshops and classes.

Library U Reloaded is a free web-based training and continuing education initiative supported by the Illinois State Library and Illinois' regional library systems. There are courses for library administrators, librarians, trustees, and the general public.

Metropolitan Library System Web Based Convenience Classes - choose from Art, History, Psychology, Literature, Grant Writing, Desktop Publishing, Internet, Computer Troubleshooting, etc. Yes, these offer CPDU's.
