Our Mission

Cristo Rey Jesuit High School provides a Catholic, college preparatory education and professional work experience to students from Spanish-speaking families with limited financial means.

Our Vision

The reason for the school's existence is to advance the human and intellectual capacities, as well as the religious and cultural heritage, of the immigrant families it serves. Through its Corporate Work Study Program, faith-based college preparatory education, and Spanish heritage language curriculum, the goal is to prepare students to succeed in college and to assume leadership roles in the civic, religious, business, and cultural life of our city and nation. As committed alumni of a Jesuit high school, graduates become men and women for others who are open to growth, religious, intellectually competent, loving, committed to justice, and work experienced.

"Thank you for joining the 1996 Legacy Society. We are grateful for your ongoing commitment to our students. Cristo Rey has built a firm foundation—a solid academic curriculum, an exemplary work study program, and an enduring reputation across the community and nation—all thanks to donors like you. Your gift today will ensure our students can grow in a nurturing environment for generations to come."
